

Whether you live close to a BTCU branch or far away, it's easy to access the money in your account.

Here's how:

Snap Up the BTCU App!

If you have a smartphone, snap up the BTCU App from the iPhone® or Android™ store today.

Just search for "BTCU" in your App Store.

There's so much you can do:

- > **Check balances**
- > **Transfer money – to your other bank or credit union**
- > **View transactions**
- > **Pay bills**
- > **Deposit a check with Mobile Deposit**
- > **Find an ATM**
- > **Locate a BTCU branch**
- > **Contact BTCU**
- > **And more!**

Get a Free Debit Card

First, snap up the BTCU App and login to Mobile Banking. Then, open a free checking account and we'll send you a free debit card to access your money.

You'll need to transfer your money from your savings to your checking account when your deposit comes in, but that's easy to do in Mobile Banking.

Then, use your debit card to pay for purchases wherever you shop. Or, if you need cash, the card is good at more than 23,000 MoneyPass ATMs nationwide surcharge-free! (The link to find an ATM near you is inside the BTCU App!)

Login to Mobile Banking now.

1. Select **Mobile Banking** from the main menu inside the BTCU App.
2. If this is the first time you are accessing the Mobile Banking system, your **Username** is your member number (account number). Call us at 763-315-3888 for your temporary **Password**.
3. You will be required to change both your **Username** and **Password** after you login.
4. Select **New Accounts** to open your free checking account with debit card.

Transfer Money from BTCU to Another Bank

Did you know you can simply transfer your money from BTCU to your account at another bank or credit union? It's easy!

Simply complete the Account-to-Account (A2A) Transfer Form located on our website, include a voided check from your other bank, and return it to us. Then, we'll add it to your Mobile Banking transfer accounts and you can login and transfer your money as soon as it becomes available for withdrawal.
