NEW 2018 DENTAL CARD

RE: NEW MEMBER ID CARDS

Dear Fund Participant:

As the end of 2017 approaches, we wanted to let you know that your **2018 Blue Cross and Blue Shield of Minnesota medical services ID card will be arriving in the mail to you very soon.** Watch for your card in a white Blue Cross window envelope delivered by the US Postal Service to your home at the end of December.

A change you'll notice for 2018 is that you'll receive a separate medical card to present to your Blue Cross Blue Shield Aware providers and a separate dental card to present to all your Delta Dental providers. You'll receive both cards by the end of December. Please be sure to show your new medical ID card to your medical providers in 2018. Also, be sure to show your new dental ID card to your dental providers in 2018. This will help your providers submit claims correctly on your behalf.

Blue Cross and Blue Shield of Minnesota along with Delta Dental of Minnesota provide high quality health and dental plans for you and your family members. Your satisfaction and experience are very important to us.

If you have questions about your ID cards or need information, please don't hesitate to contact the member service number found on the back of your current medical and dental ID cards.

Delta Dental of Minnesota is an independent, nonprofit dental insurance corporation that provides administrative services for dental benefits, including access to the Delta Dental PPO and Delta Dental Premier networks.

Blue Cross® and Blue Shield® of Minnesota and Blue Plus® are nonprofit independent licensees of the Blue Cross and Blue Shield Association.
