Again, welcome! We look forward to helping you make progress ... one step at a time.

**Upcoming education meetings**
A representative from John Hancock will be conducting education meetings at various locations in late January and February. We encourage you to join your union representative as well as representatives from John Hancock and the Fund Office for a meeting to help understand all the tools and resources available to you through John Hancock. The meeting schedule is located on the reverse side of this message, make sure to mark your calendars.

Sincerely,
