

To all interested members:

The Metro Area Sheet Metal JATC of Local 10 will be hiring an additional full Time Instructor. The qualified individual must be proficient in all aspects of the sheet metal industry including HVAC, Welding, Architectural, Residential, Layout, and Equipment Service and Repair. This person must be willing to learn new concepts and be prepared to communicate this information in a knowledgeable and comprehensive manner.

This person must be a current union member and up to date with union dues. The individual should be ready to start August 1st 2018 and be prepared to teach full time this fall. Resumes will be accepted until May 18th 2018. Interviews will be held in June.

Please send resumes to czitzer@metrojadc.org

or

Metro Area JATC
